

Gathering Mavericks – Oregon Trail

Boise, Idaho

June 28, 2024

I'm hearing a prophetic word for here. And I'm trying to understand how to ease in to where we need to be. So I'm going to do this and I'm going to release the word and then Dwain, I'm going to ask you to come up and. And receive the offering. I'm going to read to you the word that God gave me on October the 17th of 2023. For the Boise area we were. Praying for another state. I don't remember which state. I could probably go back and look that up. You know, we prayed. For all 50 states. And can I just tell you I'm amazed at what I'm about to tell you on every. State. We took five a week for 10 weeks and prayed for every state and we averaged just almost 7000 people per call. Now doesn't speak well the call, it speaks well of the obedience of God's people. And we couldn't do it without you. But listen to this word and then I'm going to release what God just gave me. One of our people on the call, Regina Shank out of Missouri, was making decorations and I heard the Lord say something about Boise, ID. What I heard the Lord say was say, is that truly there is a treasure there in Boise. But the treasure has been hidden, the treasure has been delayed being released, and the treasure has been at times looked over. But the Lord said I am mining that treasure to bring it forth. Get ready in this area for I'm about to release the number of five grace, grace, grace, grace, grace in this area and I say unto you, says the Lord, that the people that have ears to hear. The ecclesia that is ready to clench his light. I'm about to release an increased mantle of authority there in Boise. And that treasure that has been hidden, that religion has tried to cover over, I'm about to bring it forth. Get ready, they're in that area of Idaho for what's come for what's coming because I'm about to bring the five together and out of that I'm going to saturate the state, says the Lord. What a word over. I don't believe it's a regional word. I think it's a territory word. Let me help you understand my understanding. Region speaks of graph geographical area. Territory speaks of spear of influence. I believe there's a sphere of influence. They're denied that God wants to stretch out the stakes of the tent. He wants to expand. But here's what I heard God say. Part of the treasure that's coming forth, says the Lord. Is a healing flow a healing river? For this area has been chosen, says the Lord, for a well to be released that will release healing and a new unprecedented way. But it's going to take, says God, a spiritual fracking for the fracking, and that vibration will begin to bring to the surface. The treasure that's been hidden, says God. For I have prepared this weekend. For I didn't instruct man to do what he's doing. I led man into what I already had planned, says the Lord. So get ready for the spiritual fracking to take place this weekend. And as the earth shakes and the fracking takes place, I. Will bring to the surface that which is the treasure that has been hidden, that will bring together many rivers that will make glad the city of God, says the Lord. Now I'm a seer in my gifting. And what I saw while ago was out of the scriptures where the prophet told the king, he said shoot an arrow out of the window. And then he taught him, take the other errors and strike the ground. The amount enough time that you know you're going to win what I saw. I want to ask you and Impact before we do this, I want you to come up because Pat saw something and I'd already saw it coming. I don't know if there's ever been a fire through here, but I saw this whole area filled with fire. And I, I knew it was a supernatural fire, but then Pat came over, he was seeing

something and shared with me. And you know, there are others here that are that are joining me. If you're getting something, I want to, I want to hear it. But Pat, share with them what you saw. I saw that God was unlocking a fire that would ignite the greater awareness of His glorious power in His presence and purpose and plan. And as you begin to let the fire of God begin to burn, He's going to burn up the resistance and the hindrances that is minimizing your ability to function. In the fullness of my hand. The Lord says I'm going to cause a fire to begin to be ignited within you that will stir within your greater awareness of My grace, my power, my glory. And you'll begin to see the fire ignited within you that will saturate a region and territory that will dismantle structures and systems and will empower and impart a greater awareness of my glory as you step into the purpose and power of my hand, the Lord says, even as you're willing to step into the understanding of my grace and my wisdom and my revelation, the Lord says the fire of God. Like knight within you, the ability to accelerate with the greater understanding of truth and power. The acceleration will cause the manifestation of the purpose of my hand to be released upon the land for I see like an airplane that's beginning to be ignited. And if you've ever seen an airplane ignite, all of a sudden it just begins to move. The Lord says I'm going to be. Someone empower you just like I had at night. The airplane off the aircraft carrier that you'll begin to move at 140 knots in two seconds. Get ready for the fire to begin to burn and cause the glory of my name to be seen. Yes. Mr. You lean over and told me the name of this island. It's Treasure Valley here. And the five I know speaks of five fold ministry, but it also, I'm told someone emailed me I hadn't vetted this out, but I trust them that there's five counties that actually make up the Treasure Valley. And what I see is I see that treasure valley filled with bones, but I'm seeing those bones begin to come together. I hear the Lord saying. Watch as I begin to merge ministries here. Watches are many of the ministries in this area are simply on an on route, says the Lord. But I'm about to move them into my way. My highway, says the Lord, for it's a holy highway. I'm about to bring that forth watch and see where there's been rumors of splits and splits. And splits in this area I'm about to bring healing. I'm going to fitly join together my body. It's now time for the bones to be prophesied to you will hear the word of the Lord and as they hear the word of the Lord they will come together says the Lord now stand to your feet. Dwayne, come on up and be get ready. I want we're going to revise receive this offering. We're asking you to partner with the vision. But as you're sowing tonight, I want you to sew into this word about healing. There is a there are wells that's going to be open. What God showed me was that that king shot an arrow out and then he struck. We're going to begin in just a moment to stomp our feet and the vibration of that together is going to be the spiritual fracking. Is going to bring healing to a whole other level, says the Lord. And so I want you to do that and then we're going to ask you to sew in to us being here this weekend and we we're blessed. I'm not I'm not you're not sewing in to help us meet needs for this. Campaign, we've got other campaigns that we're going to be doing in the future I want you to catch it not into an aid but into a vision and so. Before we do this, I want us to begin with you have some. I also heard the Lord saying. When Clay was talking about 5, the number of graces. That October the 2nd. At sundown is Rosh Hashanah. It's the Head of the Year 5785. Two fives in that year is double portion 7 perfection and completion. 8 is a pain in the Hebrew, which is the mouth, the voice of God. We're in the decade of the 57 eighties. 80 is the prophetic voice of God. The Lord said I'm going to

release the prophetic word from this house. In a way, beginning at Rosh Hashanah, that launches you into around where leaders, political leaders, leaders of universities, and leaders across this state will be contacting. You will be contacting this House for the word of the Lord for this coming year. For the time that we're entering into is uncertain, it's unstable, it's unsteady. And people will need answers, and they will come to the prophet of God to receive the direction of the Lord. So, what I want us to do is stomp our feet together. A prophesied in Baker. I'm looking around Where, where? Where are you, Pastor Johnson? Wave at me. I know you're here somewhere. I see you. I'll bring you up in a little bit. He's got a word he's already told me God's giving something. But I prophesied in Baker City. OR that there was a new cadence coming, actually. So, I do a man, but there was a new cadence. I believe there's a new cadence going to come out of us beginning, just begin. There is beginning to stomp your feet. Just make sure that we stomp our feet enough that we're going to call that fracking to go deep into the earth and continue to uncover the treasure. Let me tell you what part of this treasure God showed me. It's the prodigals. They're coming home. They're not going to be able to resist the all of God that's going to come up on they're coming home and let me just share with you some of you young people in this room. The particles are that are coming home or your parents particles are not as children. The parents are coming home. The God says the fire that Pat. Prophesied about is going to burn off the lukewarmness in this area, God said. I'm going to burn away the religious chaff that has filled this area. I'm going to burn it away. There's a new fire beginning to burn. It's not beginning to burn tonight. It's been burning for months. And here in this area, but God said, I'm about to blow my breath and that fire that is will become a raging fire and it will begin to consume. Consume, keep solving consume. It's going to consume. We've got to make sure that we stop enough that we release. The vibrations of the spirit, says the Lord, that that what you've been hidden as a treasure is going to begin to come up. I'm just going to share this with you, but that she's three times. We've all 353 acres of land six years ago in north Arkansas. We're developing a ministry center there and Dutch Sheets is prophesied to me three times that there will be oil and gas discovered on that land. Now there are men and women that could provide that to me and it would excite me. But I know Dutch, he does not lean into prophecy and those kind. But he said in fact one day he called me and he said I was praying for you and I had a funny thought. He said maybe I'll listen. He tell Clay and his son to just go out on their land and start shooting their guns into that land and wait for it to come bubbling up. We haven't discovered that treasure yet, but can tell you what I believe is coming. It's coming. Can I tell you my Verifying factor I have a spiritual son in Heber Springs, AR, a couple hours away from us, and he's a He's a pastor, but he's a Craftsman. He builds houses. Around the light there. And he bought 46 acres to build a subdivision. And right after he bought it, they discovered gas on it. I won't tell you how much it brings into him with that, but it's helped develop what he's doing there because they didn't have to drill on his land. They were drilling on somebody else that and was able to side drill into it. I would just want to say this before Doctor Miller comes and releases what God put in his heart. About an offering tonight, I'm coming in agreement with the Spirit of God that's in this room that there's about to be some release of wealth into the people that's in this room. We are setting on the greatest time of wealth transfer that has ever been. Listen, don't get me started telling you this man prophesied to us three or four times. That the \$700,000 debt

that we took on to buy the land that we bought up there would be paid very quickly. And we paid and we were obedient and I traveled and I cast the vision and we raised money. And one day we got a call from a lady overseas. And she wanted to talk. I've actually got a e-mail and then we got talked to her and she wanted to know what we owed. And a few weeks later I'm down in Frisco, TX to preaching on the tent. I just have to tell you this, but when at 10:30 at night is 110°. I was soaking wet. I finished at 11. But can I tell you what the pastor there told me in that meeting? There were many, many, many, many healings in that meeting. But this woman flew from overseas because her dad lived in Texas and brought Susan. I said, this is for you and your wife. Look, Cord, you know, little envelope with the card in it and in it. With more than enough money to pay the land. Can I help you? We're not special. We're all special, but there's not God, no respecter. He's got it for you. He's got it for it. We're coming into it. Listen, the Kingdom of God is recession proof. 2008 the bubble busted. We were struggling. Ministry wise, we went through reserve. I told Susan. I said something's not right. I am going away. I said I'm going to stay in fast and prayed. I hear from God. I didn't know more. I'm walking my hotel room and the Lord asked me a question. He said. Clay Nash. Are you an American that's trying to live in the Kingdom, or you a Kingdom man that lives in America? Immediately after Noon said I just became a Kingdom man. I shifted my thinking. I went back home, he revealed. Something was there. I found out somebody on our financial team was not tithing. And I dealt with it. Good morning. Within 45 days, giving had went up 135%. Why? Because we got in alignment. I got my mind in alignment. Are you hearing me? There's those kind of breakthroughs tonight. Come on, Doctor Miller. Let's move. Why don't you be seated for a moment? I'm not going to take long, but you've been standing a long time. You're my studying the Hebrew roots the Lord revealed to me. And then I learned when I met Clay and Susan, Lord had shown this to them at least 1015 years earlier. But how many of you wonder why the Hebrew people are so blessed financially? I do. They have almost no children in prison. They went all the Nobel and Peace prizes. And they make up 2.5% of America's population, but they own 40% of the wealth. It's because they practice biblical giving. God didn't write 2 Bibles. There's not an old covenant in a new covenant. There's an old covenant concealed and literally. When Paul talks about the covenant in Hebrews, he's talking about the covenant. Restored. That's what the Greek word means. Hebrew people, I don't have time to teach this on 1st fruits, but Hebrew people give 3 * 1 to the storehouse, 1 to themselves and then one is alms to the poor every three months. Then they give first fruits to Roma and Hebrew. Trauma is what you sow to the one who feeds you the word. Your tithe takes care of what you have sown into the authority over You are the one feeding you. The word is what brings increase. And then their seed offering free will offerings much like this one tonight. And sometimes when I teach this, I, I take an apple and I cut it open and I pull out the seed and I hold it in my hand and I ask people the question when I, when I have in my hand and they say a seed. I said, no, it's an orchard. Cameron and I have been led by the Spirit to pray with understanding that we're about to enter into three types of return into the Kingdom of God. There is increase, there's harvest, and there is the transfer of wealth from the wicked to the righteous. Increase comes on what you do in an offering like tonight if you're praying for increased financially. Then you should sow radically sacrificially in this offering tonight. Because it brings increase. Harvest is what comes off of the seeds that you have sown.

Seeds that your ancestors have sown. We come from generations of great Christian people. They happen to be Baptist, but they love the Lord and they tithe and they gave and they sewed. And they never received their harvest. This young, this young lady and I, we've been married two years. We both lost a spouse, and God brought us together. Between her husband and she and my late spouse and myself, we have millions of dollars sewn into the Kingdom of God. We have parents who didn't receive their harvest. We have grandparents who didn't receive their heart. We're expecting a huge harvest. Houses you didn't build and walls you didn't dig. And then there. Is the transfer of wealth from the wicked. To the righteous, that's about to happen. That's it's literally unfolding in the world today. And all you have to do to qualify for that is to be faithful and obedient in what God asked you to do in His Kingdom. So the verse you know it is Proverbs 39 and 10. Honor the Lord with your possessions and with the first fruits of all of your increase, so that your barns will be filled with plenty and your vats will overflow with new wine. How many of you want your barns to be filled with plenty? And your vast overflow. I used to be a professional offering taker. They would bring me in to big meetings. I'm you laugh. It's I'm, I'm, I'm actually repented of that. I've repented of that, but I would come in. I knew how to manipulate and motivate people. I'm not proud of that, but it you know, there's a gift that God gives you. To do that. They're great men and women of God across the Kingdom who have that gift. I had the gift. I still do. But I'm not here to manipulate you. I'm here to demonstrate to you. That if you want to live in God's economy, regardless of what happens in the American economy. You can so radically. When the Bible says God loves a cheerful giver, the word cheerful there Hilarion. Yes, it means hilarious, but the root of that word is spontaneous. Twice in my life God has asked me to write a check for everything I had in my bank account. And within 48 hours he tripled it and put it back in my bank account. So. How many of you want to live? In a radical harvest and increase, then you have to be a radical giver and so on. And I promise you I know claim Susan Nash, and they are. And I know this lady and Cameron and myself and we are. And in this economy, last year I just had my annual board meeting with the board of directors of Dwayne Miller Ministries in the Edge Church. We have the largest year financially in the history of our ministry. With the economy like it is. So this is a way of life. I want you to bow your head and just ask God what He wants you to do. You can make a check out to Clay Nash Ministries. You can go online at claynash.org if you're watching or there on your phone, or you can scan the QR code up on the screen. Which is what I plan to do, and so our seed. So, Father, in the name of Jesus. I put a demand on your word, you said. That you would give seed to the Sower. And every person in this room tonight is a sewer. Now, I pray Holy Spirit, you tell them what to sow. And may they be a spontaneous, obedient giver. There may be someone in this room or watching online. You may tell them to sow everything they have. You won't tell them to sow more than they have, but you might tell them to sow everything they have. May they obey. Tonight we put a demand on your word that this is the season of increased harvest and the transfer of wealth from the wicked to the righteous, and we receive it with excitement, enthusiasm, and by faith. If you believe that, shout to the Lord because it's coming, it's here, it's yours, it's now. Give the Lord a shout. I just heard the Lord if you need an offering envelope, the guys have got them. I just heard the Lord say if you don't have enough seed. You're not sowing enough seed. Because he says he gives seed to the Sower. Amen. I just saw something prophetically. I'm going to

release it. Right here, the guy in the blue shirt, you're reaching into your pocket right here. Wave at me if you know I'm talking to you and this your wife with you. Would y'all to stand up? God said I've put dream big dreams and the two of you. You've been through a season that the dreams almost died. But you'd have it turned loose. And the Lord said these are not dreams you put on the shelf, but they've become cloudy, they've become foggy, they become. But the Lord said after you sow tonight, everything's going to clear up. New even questioned whether or not you've heard me, says the Lord. You have heard me, says the Lord. And the dreams that I've given you, I'm about to open the windows in heaven and pour out blessings for those dreams like you can't even hold. So get ready. There are thing that I put within the two of your heart that you will stake will reach out your hand and you will. See them come to pass, says the Lord, for they are for others and not for you, and they're going to call the Lord, said Sir, what's your, what's your first name, Sir? Antonio Lord said Antonio. I've given you business wisdom. And I'm going to have you share it with others. And the Lord said, I release upon your Kingdom mantle this night where you're going to take failures and business and young men, and you're going to teach them how to prosper, says the Lord. So get ready for your dream to begin to grow. Increase and come to pass, says the Lord. Now any prophetic word released here has to be judged, should be judged by this couple. It should be judged by people who have authority in their life. Any prophetic word? I'm just a servant, a messenger, but I want to stand in a line. With the authority that is here and so I release that to this couple. And I declare that word to come to pass in Yeshua's name. Amen. And do you have something? Come on up. I don't think he needs introduced, he's pretty well known around this area. I don't usually transcribe words but it I want to read this now prophetic word because. A lot of stuff that was said will be confirming. And the Lord said Portal Boise. You will become a commissioning port for new breed of spiritual pioneers. And he gave me two scriptures, Isaiah 42 one. Behold my servant. Whom I uphold, my chosen one, and he's speaking to the remnant in this region. I know it speaks of Messiah, but you are the body of him. In whom my soul delights, I have put my spirit upon you, and you will bring forth justice to the nations. Zachariah 811 But now, say now. I will not treat the remnant of this people as in the former days, says the Lord of Angel armies. For the siege shall be prosperous, the vine shall give forth its fruit, the ground shall give forth her increase, and the heavens they're due. I will cause the remnant of this people to possess all of these, for the Lord would say you are my chosen. You are my chosen company. You are my tested and approved ones that have been made ready to steward the next unveiling of my person. And my glory unto the Reformation and the restoration of all things. For I say to you, Treasure Valley, you have pests passed the tests of time, and now you shall enter the fullness of time concerning my original plan and design for this land and the people of this land. Say even the first people shall be the first serve, for I will come to the First Nation and unlock their sound. It will be an indigenous sound that will unlock the ground that will cause my original intent to come forth, and for I am releasing my breath over this land. A Gale force wind, the wind of my mouth is breathing tonight into this land and breaking the power of spiritual forces and spiritual structures that have resisted my eternal purpose for this land and the people of this land for. Say to you, tonight I am releasing my breath. It's a breath of awakening. Awakening a seed that I have sown into you, a seed of destiny that resides within my people. For there is a seed that resides within the

remnant in this land. It's the seed by which they're born again. For I am awakening this seed, says the Lord. The seed of my son is awakening, and the sons and daughters of men in this land. For the seed is now beginning to shake, and that's the unsettling and the shaking you've been feeling. Don't fear the shaking, for it's just the beginning of the awakening you long to see. Come forth, for I will bring forth the image of my son and one generation just outside, declared my servant David. This is the generation, the generation that seeks my face. Hear the word of the Lord. Nation of reformation and reformation unto restoration and transformation. So I say to this region, behold eyes, be open to see. See that I am bringing forth a new formation, a formation of spiritual pioneers. Yeah, well, established places, places of my unveiled place, places of true transformation. For I have ordained in every region Apostolic image centers that will reproduce the image of my son no longer will allow you to reproduce. Their own image, but I'm restoring the original Apostolic blueprint, the image of my son. Those that have ears to hear. Those that have ears to hear here know that I have positioned you at the right place at the right time, for you will bring forth the image of my Son in the region that I have planted you. So do not grow weary in well doing, for I'm sending the deal of heaven upon. Your night time season from sending forth the latter rain to awaken us dormant seed of destiny in you and the land that I have assigned you to. So I say to the people of this valley, I have positioned you on an ancient trail. My ancient trail. Know that I have ordained this land for an eternal purpose that transcends time and space. This valley, this truly treasure valley, a hidden treasure in earthen vessels. I am coming and I saw Gideon's army. He took fire and he put it in the jar, but then he broke the jar and released a sound. And he says, For I am coming with a baptism of fire and releasing the light of my fire and broken jars of clay. Do not despise your weakness and your brokenness, for I will release the sound through weak and broken dust cells that will throw your enemies into confusion and cause them to turn on each other. Just completely surrender your weakness to me and I will manifest my strength. In and through you, for I've come here today to summon weak doses to the place of absolute surrender for him. That place of absolute surrender I will manifest and demonstrate my strength in places you never thought possible. Today I am blowing. The third of disappointment off your destiny and off your chest, and bringing forth the treasure from your chest. The Lord says your chest is the treasure chest of Treasure Valley. For the plan of the enemy has failed, but you have prevailed even though you filled. Feed the enemy of your destiny tried to bury you in the disappearance of disappointment. I say, behold, I send the win. And I saw the breath of the Lord breathing on this valley, and he's breathing on your chest tonight because your chest. This is the treasure chest of Treasure Valley, and he says you've even despised your destiny. But I'm going to awaken destiny and I'm blowing off that demonic assignment that's come against the remnant of this region and I'm releasing a sound. From this region, and I'm releasing a people from this region, for this region will become a portal of atonement that will have a revelation of the Day of Atonement and a revelation of my blood that will bring forth a healing movement to the nations. So, Father, I thank you tonight for the power of the eternal sound, the blood hitting the mercy seat. And I saw the Lord and I saw him send angels. And there was like a big crank and he began to crank open the ceiling. And 12 years ago, the enemy put a ceiling on this house. But if you allow me, I will send angels to peel back the ceiling on this house. And once again, this will

become a commissioning port. But you must allow the angels to roll back the ceiling. So Father, I thank you for angels rolling back even over a city. Kind of region. Father, I thank you that you're breaking the Dome of resistance tonight and it's going to come with a sound from the treasure within in Jesus name. Big Island Cloud. Last night in my dream, the Justice Gate Angel came and showed me a glass Dome over this Boise area. And he said to me, he said there's going to be a cry of justice release this weekend and that that sound of that cry is going to fragment the Dome and it's coming in on and liberty will come to this area in a dream last night that. I have. Pastor, I heard the Lord say, what date is Chuck coming here in August? What's the date? The 15th. 16. Of August, I heard the Lord say tell him to look up. The day of the year that that date is August the 16th. And he said once you look it up, then look up the strongest concordance number of that, you know if it's 206, I don't know what it is, whether it be sure we're in a leap year. I'm sure you look for it, but he said whatever the number, if it's 206, look it up in the strong and God's going to give you a clear insight to what's coming to this area and to this house. Get ready for it. Look it up. It's very significant to what is ahead, says the Lord. Pastor Johnson, you feel this is a good place for your word come up. OK, we just follow Holy Spirit. Thank you, Sir. This is Garth Johnson from Baker City. I could tell you a lot of great things about him. The greatest thing about him. We've become friends. God has connected our hearts. They're even going to be going on some of the rest of the tour with us down to Independence, MO. And a man of God has honored us greatly. Got a lot of history on the Oregon Trail. We got to go out to his ranch and see his land and see where ruts are on the Oregon drug goes, right? Through and stuff, so share what God's giving. You know, it's always intimidating to follow a couple of giants and the prophetic like, like add in clay and that I just want to go back a little bit. If I was just praying and I, I have such a love for Idaho. You know, Idaho was the eastern side of the Oregon Territory and I've always believed that. Idaho is the gateway to revival in the Northwest and I've, I've been praying about that for a long time because they think that that what God has put here is will and will pave the way. And I felt that the, the sound of AD that you were talking about is going to be the sound of plowing. And turning over my great grandparents on both sides of my family were a pioneers that came over on the Oregon Trail. And you know, it doesn't the Magic Valley in the Treasure Valley doesn't didn't look like it does now. You know, we've developed agriculture and it's a lot prettier and a lot greener, but. When they came across this part of the area, it wasn't too pretty, a lot of it, and it was dry and it was dusty and, and, and the God gave me visions of The Pioneers and some they just had gotten to that place where they, they were just kind of looking down, taking one step at a time, plowing through. But there were some who saw. Past that, the struggles and you know, the adverse conditions, they saw something in the potential of the land. And I really felt the Lord saying to us that that now is the time that God is going to use Idaho to begin to develop the spiritual potential of the land that's been hidden there. And, and it's the Gem State, it's the Treasure Valley, the Magic Valley. There's something about this region. That's paving the way for what God wants to do in the Northwest. And so they just declare that in the name of Jesus. He said, declare a thing and it'll be established. We're going to declare that we're going to fulfill the destiny of this northwest region and restore what God wants us to restore. Amen. Google order big hand clown. Just a moment. I'm going to have Matt and Natalie. There's a song that I feel like supposed to come now, but I

want to say this as Pastor Johnson was prophesying, I heard the Lord say Idaho. Do not become weary and well doing. For truly it's been a through season, but as you continue in your through season, I'm going to bring you into your due season, says the Lord. Do not let weariness rest upon you. Pull aside, says the Lord, and I will refresh you. Lord, I will stir the passion in you. And it will burn away the tiredness, says the Lord. I said to somebody here, I think it was my friend Nate that came into the meeting night. Hadn't seen him in a lot of years. And the other day I needed somewhere close to 10 or 11 hours of therapy. And so I decided I would spend 2 days and get some therapy. So I got on my John Deere tractor and my 15 foot bat wing mower and I mowed about 65 acres with it up and down those mountains. And I want to say I was like a new man. Amen. There's something about being on a John Deere. Amen. And mowing down grass and running over rough places and everything is nothing like that. So stand to your feet. Let's do this song. Y'all have the words for the screen? Yep, got the words for the screen. Come on, let's press in. This is a prophetic decree over this area.
