The Camden Explosion: A Prophecy Fulfilled 9/17/08
Given: May 25, 2008

Camden is going to have an explosion and after the explosion Camden **is going to have a move of God-glory in it** ! You need to get ready to see Camden come into a move of God's glory.

I don't know why God is looking at Camden; I don't even know where it is in Arkansas. But the Spirit of God says that I have had people of God prevailing and travailing there, and because of that I am going to give an explosion-**I mean a physical explosion as a sign!!** And from that there will be an explosion in the Spirit and the glory of God will pull that city, and it will be known that the **power & the glory** has overtaken Camden.

Camden

I saw an explosion in Camden, I mean a physical explosion as a sign that God brought in there and then the glory began to explode. And the Lord says, I'm going to break captivity. I'm going to cause a move in the generation that is thirty to sixteen and I'm going to start redeeming many of those that have gone away from me and I'm going to start calling many in. The Lord says then I'm going to have a healing move and your going to find that many that have been held captive in their limbs through Arthritis to begin to be healed in a new way. And I say to you that there is a fruitfulness on Camden I am bringing in and there is a promise that I say that when you go back over the next three months pull lit down in the atmosphere for things are being to shake there and now I'm going to start moving in a different way sayeth the Lord.
