Elaine Priestly: This word is for Colorado when you pass through the waters I will be with you and through the rivers they shall not overflow you, when you walk through the fire you shall not be burned neither shall the flame kindle or come against you.

Dee Dee Roberts: In the desperation and in the destruction and in the place of hopelessness and desolation Colorado the Lord would say unto you if you will believe and grab a hold I can receive you, I can replant you and I can begin to bring forth something new. I can begin to pick you up and I can begin to renew you in a place if you will come in agreement with Me. So Colorado we say rise up let the Spirit of the Lord begin to rain down upon you and begin to purge you and begin to replant and reseed you like a forest that can be restarted and rekindled and a new growth and a new uprising and a new faith level and we release that into you Colorado right now in the name of Jesus.

Lisa Lyons: Lord and we do indeed decree that everywhere there is ashes Lord in that place Father that You are bringing forth an unsurpassed beauty Father that would have never been there otherwise.

Elaine Priestly: **Elaine:** Also I would just like to declare over Colorado that there is a healing of the souls in the springs. And we also decree that the gift of faith rises up in the people tonight, amen. So we say that Colorado that you're rising up, that healing and that hope is coming upon you and that you will spring forth in new faith as you move forward in Jesus name.

Anne Tate: Now Lord where the, where the intercession in Colorado Springs got wrapped around the intercessors and stopped the flow of the water that you placed inside of them. Lord we say that as this is going that You have hovered over them and You are untangling the next level that You have for them and You're beginning to spread them out and they will pray ahead of any place they have ever prayed in the past. We say that all lack that has operated there we call it out now in the name of Jesus. We say they'll be no poverty of prayer in Colorado Springs. We roll off the reproach now in the name of Jesus and say that You are releasing an new wind and rain of Your Spirit to cause them to move into the next level that You've called them from. And Lord we say that all intercession that You have called to come forth will now begin to exhibit in a brand new way.

Chuck Pierce: Now Father we ask for a new move of God in Colorado. Lord we want a new move of God to sweep across that state. Father we thank You that Your purifying fire is coming but Father we say the fire of Holy Spirit will sweep across the state of Colorado. And Lord send rain.

Chuck - Now I want you to point north with me, toward Oklahoma, Kansas, Nebraska especially Nebraska, Iowa, Wyoming there's a demon over Colorado. Now I see it by the Spirit. There, I mean you can see it looking, I command that demon it's hung up over Colorado, it's hung up. And it's not just that shooting, there's a spirit that is hanging over that state and that spirit needs to let go. Now Father we say right now we offer You a sacrifice of praise and we blow the wind toward Colorado.

Lord, I see a double blood line Your asking us to draw from Nebraska. Lord, we decree a bloodline is being set so that the weather patterns can change in the Nebraska, Iowa area there and come down through and begin to bring in a refreshing. Lord, we say every word over Colorado that has created a blockade in the atmosphere we speak to you right now and we say bust up in Jesus Name.

I will tell you what's coming toward us is held up over Nebraska can't get past Colorado to get to us. Somebody turn around and say this thing is breaking we want our blessings.

Keith – The Lord just spoke to me and said, "It is time for a spirit of Haman to be hung upon his own gallows." And Lord even with Haman, Haman tried to usurp Mordecai's place. No demon will usurp the blessing or the promises of God that belongs here so in the name of Jesus we say Haman you have been exposed in the name of Jesus we say Haman you are cast down. In the name of Jesus we say get out of the way, get out of the way, get out of the way because Esther's are arising and the King is feeling generous this day.

Chuck - Now all of you in Colorado, Peter if you're listening make an apostolic decree that the violence from broken covenants over that State leaves the atmosphere of that State in Jesus name and the Nation become refreshed again.

Chuck - Linda said while we were praying she saw this big power right over Colorado, that area and it was tethered down into the earth. The ground had allowed it to be tethered in. God says, "Right now jar the ground loose so that demon lets go of the ground."
